

Interior Pro 2.7 Surface Delivery Programme

valid from January 2027

For you to create

Fundermax

Fundermax

Whether it's furniture, facades, or interior design: where ideas and materials meet, you'll find Fundermax. As a global market leader in the field of high pressure laminates and a manufacturer of high-quality wood-based materials, we are proud to look back on a history spanning more than 130 years. Our continued success is based on the highest quality standards, innovative and varied design, as well as carefully managed production processes. Made in Austria — with great love for natural resources, creations, and imagination.

- Modern production facilities in Austria, Norway and the Netherlands
- Approx. 1,500 employees
- Part of Constantia Industries AG
- Integrated management system certified according to ISO standards*: 9001 Quality, 14001 Environment, 50001 Energy efficiency, 45001 Occupational health and Safety
- Wood and paper sourced from FSC®- and PEFC-certified sources**
- Certified according to the SURE-EU system within the certified scope***

ABS edges

ABS edges are offered through our cooperation partners. For further information please contact our sales representatives.

Decor Type
H = Nature
M = Material
U = Colour

Surfaces
CR = Corso
FB = Fabrica
TG = Tego
MO = Maleo (comes with a protective film as standard)
RI = River (comes with a protective film as standard)

Delivery options
● = available in commercial quantities from stock
○ = according to current delivery times

Decor Direction
L = This decor is oriented in the longitudinal direction.
(Please take this into account when optimizing and cutting.)
N = The decor is non-directional. It can be rotated during cutting.

(i) Maleo HPL
Decorative laminate with a mother-of-pearl effect, for vertical applications only.

* Further thicknesses for Star Favorit and Star Favorit Superfront are available on request.

**** Nearest NCS / RAL color code**
For Uni decors, the closest NCS color code and the closest RAL accessory color code are specified. For printed decors (M+H), the closest RAL accessory color code is specified. A color match with the original sample is ALWAYS necessary!

Note: When combining Star Favorit, Star Favorit Superfront and Max HPL products, we recommend comparing them with original samples.
